SAVE THE DATE!

We have WONDERFUL news to share. Our fall showcase will not be here at the studio-but at the CAROLINA THEATER instead! So save the date-OCTOBER 22nd. It's just enough time to start picking out your music and get your showcase nice and polished for the big stage.

DANCE COACHES

A professional stage means polished and professional routines, so don't miss your opportunity to have your showcase choreography created by: **EDDI APOLONOV JULY 12-13** **TALIAT TARSINOV JULY 26-28** Plan your routine or brush up on your technique and footwork by scheduling your personal session before your chance runs out...

A VERY SPECIAL PARTY FOR SPECIAL GUESTS

On July 21st, share your experience here with everyone you know by bringing them to our special guest party exclusively for them.

GOOD LUCK!

Everyone wishes good skill and the best of luck to our students Yuki Sandifer, Kay Hammond and Ed Hammond in Puerto Rico.
