SAVE THE DATE!

We have WONDERFUL news to share. Our fall showcase will not be here at the studio-but at the CAROLINA THEATER instead! So save the date—OCTOBER 23rd. It's just enough time to start picking our your music and get your showcase nice and polished for the big stage.

DANCE COACHES

A professional stage means polished and professional routines, so don't miss your opportunity to have your showcase choreography created by:

EDDI APOLONOV JULY 13-15
TALIAT TARSINOV AUGUST 2-4

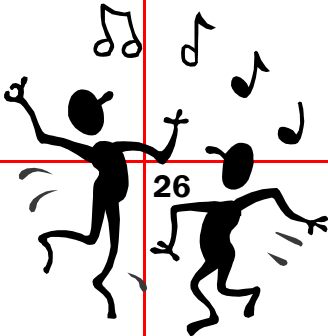

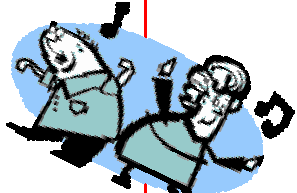

Plan your routine or brush up on your technique and footwork by scheduling your personal session before your chance runs out...

A VERY SPECIAL PARTY FOR SPECIAL GUESTS

On July 29th, share your experience here with everyone you know by bringing them to our special guest party exclusively for them.

GOOD LUCK!

Everyone wishes good skill and the best of luck to our students Bill Joines and John Rhoades competing in Las Vegas and Kay Hammond and Dawn Morehead in Puerto Rico.
